

CLASS	II	<p>Description: Trail would continue the existing Sourdough Trail System from Goldenstein to Sourdough Forest Service Trailhead. Trail would complete a segment of the Main Street to the Mountains system.</p> <p>Once past the Williams park complex significant trail easements would need to be acquired through private land in order to complete the project or it needs to be constructed in the right of way along Sourdough Road.</p> <p>GVLT has been actively working on this project.</p>
TREAD	NATURAL FINES	
MINIMUM WIDTH	6'
